Police Cruisers

The fleet consists of two Ford Crown Vic Police Interceptors. Ford has discontinued manufacturing this model and as a result we will need to look at what packages are available to replace these models. One cruiser is due to be replaced in 2012.

<u>Cruiser #</u>	<u>Year</u>	<u>Odometer Reading December 31,2011</u>	<u>Miles Driven 2011</u>	<u>Condition</u>
3	2010	43,445	25,375	Good
4	2008	62,300*	15,794	Good

*Odometer on #4 does not always function. The above is a close approximation.

Cost Recovery

In 2012 the Monroeville Police Department entered into an agreement with Cost Recovery Corporation. The goal of this project is to recover some of the Villages cost when their police department responds to motor vehicle accidents. Only those who are at fault are billed, then only nonresidents.

In 2012 Cost Recovery billed those individuals \$1,915 for services provided by the police department. \$820 has been collected so far.

Norwalk Municipal Court-Fines

In 2012 Norwalk Municipal Court collected approximately \$43,472 in traffic fines and \$5,556 in criminal fines.

The Monroeville Police Department would like to thank Underground Utilities, Norwalk Wal-Mart, Berry Plastics, Gardners, Cold as Ice Drive Thru and Mr. and Mrs. Brian Watt for their generous donations and support. In addition we would like to thank all of those individuals who generously volunteered their time ensuring the continued success of this program.

In summary, I am excited about the direction your police department is headed. You have a group of dedicated officers that enjoy serving you and appreciate your support.
